

CART APPROVALS Employee to Supervisor Ordering Process

As the Purchasing or Maintenance Supervisor, you can have the final say in your staff's online purchases at BestPlumbingSpecialties.com. You can now set up your company's online shopping experience using Cart Approvals. Your employees will be able to create online shopping carts and submit them to you for final approval.

See below for how this works.

MASTER USER (SUPERVISOR) CAPABILITIES

Supervisors have full access to the website including logging into the website, searching, and browsing products, viewing pricing, adding items to cart, and placing orders. They also have the capability to approve and process orders that employees (Sub Users) have submitted.

When an employee submits a cart for approval, the supervisor will receive a notification email.

Clicking on the link in this email will take the supervisor to the **Cart Approval** screen. (*This page can be accessed anytime from the "My Account" page, once logged in*).

All carts that have been submitted by sub-users are stored here. Each cart can be expanded to view its contents. Clicking the **Approve and Place Order** button will transfer the submitted cart into the live cart.
