ORDER HISTORY

You can check status on your past orders when logged into www.bestplumbingspecialties.com.

You can view order history for your own individual orders or see all orders for your organization, by clicking the account dropdown menu in the header and then clicking on **Orders**, from either the account side, or the user side of the menu.

2

Once there, you will see all past orders, which you can search by **Order #**, **PO #**, **Part #**, or **Date**. You can view more order details by clicking on an order number.
