KLEIN TOOLS®

Skribes Fine Tip Marker

Pk/12

Klein Skribes™ Fine Tip Permanent Markers deliver clear, long-lasting marks on pipes, fittings, and other jobsite materials. The clog-resistant fine tip writes through water, oil, dust, and grime, while the anti-roll barrel, hard-hat clip, and 72-hour cap-off life keep it ready for use during service calls and under-sink repairs.

#61695

Milwaukee

See pg 18-43 for color marker options.

Fine Point Black Jobsite Marker

The Milwaukee INKZALL™ Fine Point Marker is built to deliver clear, long-lasting marks on pipes, fittings, concrete, and rough jobsite surfaces. Featuring a 72 hour uncap time, its clog-resistant fine tip writes through dust, moisture, and oily residue, with a hard hat clip for quick access under sinks and in tight spaces.

(4-pack available #97875)

#97880

2-IN-1 Deep Reach Ultra Fine Point Black Jobsite Marker

Get more done with a jobsite marker built for hard-to-reach, dusty, wet, and rugged surfaces. Its 2-in-1 design works as an ultra-fine point marker or a deep-reach tip for precise marking, and it can be resharpened for extended life. The quick-dry permanent ink writes through dust, oil, and moisture, with long cap-off durability so it's always ready to use.

#61702

Fire Alarm Battery

The PS-1270 is a rechargeable 12V 7.0Ah sealed lead acid battery ideal for commercial-related applications such as emergency lighting, fire security, general purpose, and medical. Featuring spill-proof AGM technology and a rugged ABS case, it delivers dependable standby power and safe operation in demanding site conditions.

#99300036

Diverter Drain Tarp

This leak diversion tarp quickly protects equipment and works with a center drain that connects to a hose to safely direct water away from the jobsite. pg. 20-6

- Dimensions: 5' x 5'
- Center drain with 3/4" hose hookup
- 4 ply, black woven polyethylene with double folded hems and waterproof coating for added strength
- Use with ceiling hooks **#10539** and diverter hose **#65017**.

Kibosh Repair Clamps

The Kibosh Rapid Pipe Repair Clamp delivers an instant, easy-to-use fix for copper, PEX, PB, and multilayer water pipes, even while leaks are still flowing. Reusable, non-toxic, and built to handle normal pressures and temperatures, it minimizes water damage and keeps pipes functioning until a permanent repair is made. pg. 11-48

- Once installed, the pipe continues to function normally, hot or cold.
- Fits easily in tight spaces, including clipped pipes and the notch of a joint.
- Also suitable for repairing frost-damaged or burst pipes.
