NEW ARRIVALS

8-In-1 Pen Style Control Cabinet Key

This Cabinet Key combines multiple key profiles, bits, and adapters into one compact, lightweight tool, making it the ideal solution for accessing control cabinets, utility systems, meter boxes, and technical facility equipment. Featuring integrated key profiles, a universal 1/4" bit adapter with a magnetic bit holder, a rugged pocket-clip design, and durable die-cast zinc construction.

#93200

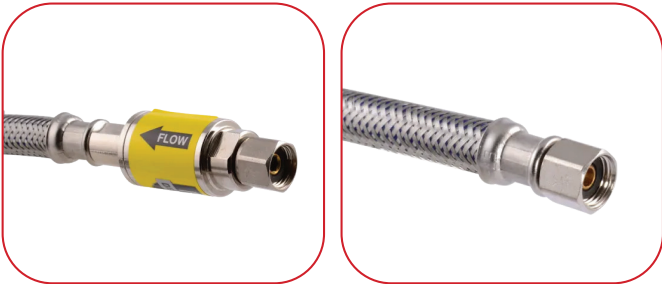

SET INCLUDES
Square 5, 6, 7, 8mm
Triangular 9mm
Double Bit Keys 5mm/Internal
9mm/External
Universal 1/4" Bit Adapter
Magnetic Bit Holder
2 Double Insert Bits: Slotted, Phillips, TORX

Flood Defender Icemaker Connector

This 10-foot connector features an integrated auto shut-off valve that automatically stops water flow when excess water is detected, helping protect against leaks and water damage. It operates at a working pressure of 20-125 PSI and has a maximum burst strength of 1,500 PSI for reliable performance. Constructed with corrosion-resistant braided stainless steel, a reinforced PVC core, nylon reinforcement, and a clear vinyl outer jacket, it is built for long-lasting durability and kink resistance.

#70003

36" Perfect Bungee

The 36" Adjust-A-Strap features two integrated nylon hooks designed to not scratch surfaces, and six reinforced adjustment slots that easily hook together to provide a secure, customizable fit that can be used for a wide range of loads and applications. Made from durable, all-weather polyurethane, it is UV, fuel, and chemical resistant, safely stretches up to 72".

360 Multi-Surface Cleaner

This biodegradable, non-toxic formula can be applied directly to the surface, where it lifts and emulsifies contaminants so they can be wiped away or rinsed off, leaving little to no residue behind. For use on surfaces, tools, or equipment as an industrial strength degreaser to dissolve heavy grease, oils, tar, and wax without relying on harsh chemicals.
