BEST PLUMBING SPECIALTIES

MegaPro Insulated Diagonal Cutting Pliers

These 8-inch insulated diagonal cutters are VDE certified and guaranteed for safe use in electrical environments up to 1000V. Designed to meet the IEC 60900 standard for safe work near live parts. Made of CR-MO steel with a hardness level of 58 HRC (Rockwell scale). Built with strength and durability, these pliers can cut through hard wire up to 4.2mm thick and 2.5mm piano wire. For use in -40°F to 158°F temperatures. Ergonomic rubber grip handle with slip guards.

#10042

Cement and Cleaner Combo Pack

This combo pack includes 1/4 pint sizes of each product, providing an ideal quantity of cement and cleaner for small jobs. Both products are low VOC. For use on PVC, CPVC, and ABS pipe and fittings.

- **Clear Cleaner:** A clear, non-bodied, fast acting solvent used to clean plastic pipe and fittings prior to assembly.
- **3 Way Cement:** A clear, medium-bodied, medium to fast set, high strength solvent cement. Most effective when used in temperature ranges from 40° F to 100° F.

MONTHLY FAVORITES

#11304

- Uses a simple threaded rod, sleeve, and crank system, to remove broken Moen 1200,1222 Posi-temp and 1225 cartridges.
- Solves the common issue of only the cartridge core coming out on the first try. With a quick conversion, the crank turns into an expander tube to remove the brass sleeve.

ONA Puller Delta Attachment

#99970077

- Works with the ONA Puller to remove Delta Multichoice 1300/1400 series cartridges

pg. 18-12
