

NEW ARRIVALS

MARCH 2025

BEST PLUMBING SPECIALTIES

1-1/4" Bi-Metal Oscillating Blade For Clean Wood

These high-performance blades feature an ultra-hardened cutting edge to deliver up to 5X longer life than standard clean wood blades. Curved contact edge creates a pilot for precise, clean plunge cuts with less vibration. An optimized Japanese tooth design and Black I.C.E. (Industrial Cooling Element) coating protects cutting edge against wear for extreme durability and longer blade life. The blade's universal fit and adapter-free design easily attaches to most tools.

- 2" cutting depth

#11087

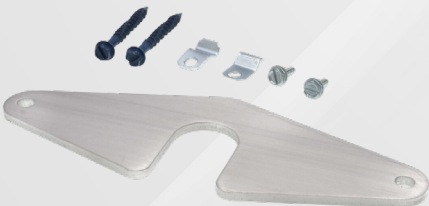

Smooth Jaw Pipe Wrench

This 12-inch Smooth Jaw Pipe Wrench features smooth jaws with a 2-5/8" capacity that protects surfaces, especially when working with chrome. Features a parallel grip that stays secure while you are using it. The wrench's ergonomic handle form has been designed to maximize your comfort and won't dig into your palms while in use.

#10339

Hose Bib Buddy

The easiest way to secure your outdoor faucet with no plumbing required, and without removing the faucet. Simply slide the plate behind the existing loose faucet. Secure the plate to the wall and the faucet to the plate. The plate is made of very sturdy 3/16" brushed aluminum and will never rust! Includes all necessary hardware.

#68247

Diablo 14PC Bi-Metal Reciprocating Blade Set

These high-performance blades are ideal for nail-embedded wood, metal, and metal demolition applications. Bi-metal technology delivers up to 5X longer life compared to standard blades on the market. Diablo's metal demolition blades feature a double tooth configuration with small gullets for faster material removal, less vibration, and extra durability. pg. 8-37

#99725782

Includes:

- (4) 6" 14/18TPI metal cutting (3/32"-5/16") blades
- (4) 6" 8/14TPI general purpose/nail-embedded wood and metal (1/8"-1/2") blades
- (4) 6" 6/12TPI nail-embedded wood blades
- (1) 9" 6/12TPI nail-embedded wood blade and
- (1) 9" 10/14TPI blade

Felt Wax Ring

This felt ring is infused with wax used for setting floor or wall toilet bowls. The addition of the felt provides more strength and stability than wax alone.

- 5" OD x 3" ID 1" thick

#55521

Fit-All Drain with Crosshair

This lift and turn tub closure assembly is designed for heavy-duty. Chrome plated brass ensures durability without compromising on style. Quickly and easily installs over the previous strainer bodies requiring only the provided silicone adhesive. pg. 8-7

#79987

Fat Ivan Doorstop

Secure, compact, and easy to use, this Magnetic Doorstop is the convenient way to prop open a door. Slide over any hinge to fully open the door or keep the door partially open by using the magnets to place the Door Stop directly onto the lipstrike. Made with corrosion resistant plastic and zinc plated steel for a long-lasting tool that can be used every day! pg. 18-73

#67007

ASSORTMENT OF THE MONTH

One Way Machine Screw Assortment

(Contains 176 Pieces)

The ultimate one-way screw kit. Contains a taper tap, a t-handle tap wrench, a one-way driver, and 174 screws of various sizes. pg. 1-8

#20255

CHEMICAL OF THE MONTH

Anti-Slip Resistant Spray Coating

Use on steps, decks, storeroom floors, ramps, and more to reduce slipping hazards. Provides a hard, flat, textured finish. It's lead-free as well as chemical, gas, and oil resistant. Can be used indoors and outdoors on prepared wood, concrete, metal, fiberglass, tile, porcelain, and many other surfaces. pg. 20-7
