

Delta® / Moen® Kits

Hidden Faucet Attachments

13/16" -27 & M21.5x1.5

flow, stop and go®

Features and Benefits

- ▶ Exclusive to fit select Delta® and Moen® faucets.
- ▶ The Jr. sized insert fits into the Delta® and Moen® hidden sleeves for a wide variety of flow rates and stream patterns.
- ▶ Threads directly into the faucet spout. Virtually invisible once installed.
- ▶ Vandal resistant by design (install and remove with a special key).
