Blue Monster Faucet Grease 3oz

Premium non-carbonizing silicone grease offers reliable lubrication and protection in high-temperature & high-load environments. Resists heat, moisture, and chemicals while remaining compatible with plastics, rubber, and metals to help reduce wear, maintenance, and re-lubrication. It meets standards for drinking water safety, including limits on leaching and lead content, and carries an NSF Nonfood H-1 certification.

#60036

Diablo Drill Sets

These drill sets feature hybrid 130° split-point bits ranging from 1/16" to 1/2". Designed for drilling mild, hardened, and stainless steel. Featuring a thermal shield coating that reduces heat buildup for faster, more precise drilling, less wear, and up to 30x longer tool life.
