## Thaw 5k Rechargeable Hand Warmer

#88083

The THAW 5K Rechargeable Hand Warmer provides double-sided heating for up to 7 hours, and easily fits in your pocket so it's always with you. It features temperature memory recall which allows you to pick up exactly where you left off. This 3-in-1 product not only warms you up, but it also works as a 5000mAh power bank to recharge your USB-charged devices and has an integrated LED to light up your tasks.

### WHAT'S INCLUDED:

- USB-C Charging Cable
- USB-C to USB-A Adapter
- Lanyard

### HEAT MODES:

- High (140°F / 60°C): 3.5 hours
- Medium (122°F / 50°C): 5 hours
- Low (113°F / 45°C): 7 hours

## Wally Magnetic Tool Mount

#88084

Adhere to any magnetic surface for simple tool storage. Great for mounting in your van/truck, shop or on the jobsite to hang your hand tools, power tools, tool pouches, and more.

- Milled Aluminum
- Neodymium N52 Magnet
- TPU Magnet Cap
- Steel Rivets

## Chalk Shot

#88085

ChalkShot provides a quick and easy, high visibility, non-permanent marking solution when drilling blind holes on hard to mark surfaces. The applicator shoots chalk on to the surface to be marked – there is no tip or pen nib to get damaged or clogged or dry out over time. The chalk is high vis green and sits on top of the surface for the best visibility. It even works on grease, dirt, and rust covered surfaces. Uses a marking dye that is non-permanent, environmentally friendly, and wipes off easily if a mark needs to be moved. It is also long lasting – one unit can mark over 250 locations without drying out!

# BEST FEATURED ITEMS

## Elastomer Gaskets

- #50002 1/2" Urinal
- #50003 1/2" Tank
- #50004 1/2" Toilet (Most Popular)
- #50005 3/4" Toilet

Tight Seal Elastomer Toilet Gaskets are a revolutionary change in toilet sealing. They are wax-free, and designed to work with all types of installations including cast iron, copper and plastic. **pg. 6-5**

- Can be stacked and repositioned
- Will not melt, come loose like wax, break, or become brittle
- Remains resilient and allows movement without leaking
- Works on standard, floor mounted rear discharge, and wall hung toilets

## SharkBite Slip Ball Valves

- #73392 1/2"
- #73393 3/4"
- #73394 1"

This is a great item to keep on hand for freezes and other emergency repair scenarios. Convenient single-lever control makes these valves easy to use and encourages shut-off of water supply. The instant push-fit connection means that there is no soldering, clamps, unions, or glue required. **pg. 11-29**

- Allows water to flow freely through the valve
- Utilizes a slip feature for easy installation
- Can be installed on a wet line
- Install quickly on existing copper and CTS CVPC pipe.
- Lead-Free

## Bust-A-Rust

#97921

Quickly dissolves rust and rust stains on virtually all materials including toilet bowls and tanks, bathtubs, clothing, glassware, water softeners, washing machines, dishwashers, tile, masonry, stone and more. Bust-a-Rust changes rust into a form that can easily be flushed away. Use it in your water softener to eliminate the occurrence of rust stains and deposits. If surface stains have already accumulated, use Bust-a-Rust to remove them. **pg. 19-4**

- Removes iron in water that makes drinking water taste and smell bad.
- Does not contain chlorine, phosphates or phosphoric acid.

**ACTIVE INGREDIENTS:** SODIUM HYDROSULFITE, SODIUM METABISULFITE

## Emergency Leak Repair Assortment #20257

Be prepared for any leak! This kit offers a mix of hardware, repair wraps and putty, so that no matter the situation, you will be covered. (Contains 15 items)

**pg. 1-18**

## Door Silencer

#60017

This rubber door silencer features an air chamber which creates a resilient cushion to absorb impact when a door is closed to prevent banging and damage. **pg. 17-32**

## Steel Wool Pads

#41053

Steel wool is a versatile material that can be used for a variety of construction tasks. Made of uniform, high-quality metal strands, use for cleaning, polishing, buffing and refinishing. Contains 16 medium #1 grit pads.
